

National Service in North Carolina

MEETING COMMUNITY NEEDS IN NORTH CAROLINA

More than 10,000 people of all ages and backgrounds are helping to meet local needs, strengthen communities, and increase civic engagement through national service in North Carolina. Serving at more than 1,000 locations throughout the state, these citizens tutor and mentor children, support veterans and military families, provide health services, restore the environment, respond to disasters, increase economic opportunity, and recruit and manage volunteers.

This year, the Corporation for National and Community Service (CNCS) will commit more than \$24,560,000 to support North Carolina communities through national service initiatives. CNCS invests in cost-effective community solutions--working hand in hand with local partners to improve lives, expand economic opportunity, and engage citizens in solving problems in their communities. Serving in many of the state's most impoverished communities, CNCS provides vital support to schools, food banks, homeless shelters, community health clinics, youth centers, veterans service facilities, and other nonprofit and faith-based organizations at a time of growing demand for services. Through a unique public-private partnership, this federal investment will leverage an additional \$8,480,000 in other resources to strengthen community impact, build local support, and increase return on taxpayer dollars.

AmeriCorps: This year AmeriCorps will provide more than 1,400 individuals the opportunity to provide intensive, results-driven service to meet education, environmental, health, economic, and other pressing needs in communities across North Carolina. Most AmeriCorps grant funding goes to the North Carolina Commission on Volunteerism and Community Service, which in turn awards grants to nonprofit groups to respond to local needs. Most of the remainder of the grant funding is distributed by CNCS directly to multi-state and national organizations through a competitive grants process. Other individuals serve through AmeriCorps VISTA, whose members help bring individuals and communities out of poverty by serving full-time to fight illiteracy, improve health services, create businesses, and increase housing opportunities, and AmeriCorps NCCC (National Civilian Community Corps), a 10-month, full time residential program for men and women between the ages of 18 and 24. In exchange for their service, AmeriCorps members earn an education award that can be used to pay for college or to pay back qualified student loans. Since 1994, more than 18,000 North Carolina residents have served more than 25 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$54,710,000.

Senior Corps: More than 9,300 seniors in North Carolina contribute their time and talents in one of three Senior Corps programs. Foster Grandparents serve one-on-one as tutors and mentors to more than 2,200 young people who have special needs. Senior Companions help more than 790 homebound seniors and other adults maintain independence in their own homes. RSVP volunteers conduct safety patrols, renovate homes, protect the environment, tutor and mentor youth, respond to natural disasters, and provide other services through more than 310 groups across North Carolina.

Social Innovation Fund: The Social Innovation Fund transforms lives and communities using limited federal investment as a catalyst to grow the impact of nonprofits with evidence of strong results. It harnesses the expertise of grantmaking intermediaries to identify, evaluate and expand effective nonprofits and engages funding partners to contribute nearly three dollars to every one federal dollar invested. As the Social Innovation Fund network grows programs that work in North Carolina, more people are able to overcome their most pressing challenges in the areas of economic opportunity, health, and youth development. The Social Innovation Fund is investing more than \$1,230,000 in expanding the impact of 4 nonprofits in North Carolina.

The Corporation for National and Community Service is a federal agency that improves lives, strengthens communities, and fosters civic engagement through service and volunteering. CNCS annually engages more than five million Americans in service to meet local needs through Senior Corps, AmeriCorps, and national days of service; improves communities through the Social Innovation Fund, and leads President Obama's national call to service initiative, United We Serve. To learn more visit NationalService.gov or Serve.gov or call 202-606-5000 or TTY 1-800-833-3722.

- Notes: The data shown represents a snapshot in time. CNCS project sites, participants, and funding change throughout the year, so the data may not reflect current conditions.
- This figure represents the number of awarded positions available to be filled in the 2014 - 2015 program year. For AmeriCorps VISTA, this represents the actual number of VISTA members in active service.
 - This figure represents the maximum potential value of Segal AmeriCorps Education Awards that can be earned by AmeriCorps members serving in North Carolina. The award can be used in any state to pay for college, graduate school, vocational training, or to pay back student loans. The education award total is included in total CNCS funding.
 - AmeriCorps National figures may include national programs headquartered in the state and/or operating sites of national programs that are headquartered in other states. Funding reflects the estimated proportionate share of the national grant associated with operating sites in this report. Some national organizations do not report operating site data, or it was not available at time of publishing, so figures may not reflect current conditions.
 - North Carolina is served by the AmeriCorps NCCC campus located in Vicksburg, Mississippi. In the past year, AmeriCorps NCCC teams have served on projects in Climax, West Jefferson, Asheville, Raleigh.
 - The service location total may contain multiple counts of unique locations where multiple CNCS programs are operating.
 - As part of its public-private partnership approach, CNCS requires grantees to leverage additional resources to strengthen community impact and increase the return on the federal investment. This figure reflects non-CNCS cash and in-kind resources that CNCS grantees and project sponsors have committed to raise to support their programming activities across the state.

Since 1994, more than 18,000 North Carolina residents have served more than 25 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$54,710,000.

AmeriCorps National

Citizen Schools is a nonprofit organization that partners with middle schools to expand the learning day for children in low-income communities. Citizen Schools mobilizes a team of AmeriCorps educators and volunteers to lead real-world learning projects and provide academic support, helping all students discover and achieve their dreams. In their two years of service, AmeriCorps members serve as “Teaching Fellows,” providing students with months of extra learning through academic mentoring and skill-building apprenticeships that translates into college readiness and career opportunities. Citizen Schools has been recognized as a leader in engaging volunteers, generating student impact, and balancing direct service with systemic change efforts. A longitudinal study found that former Citizen Schools participants graduated from high school within four years at a rate of 71 percent, compared to 59% among matched peers, and internal analyses have found that 61 percent of Citizen Schools’ alumni enroll in college.

AmeriCorps VISTA

Housing Assistance Corporation is a private, nonprofit organization committed to providing safe and affordable housing for persons of limited income living in Henderson County and surrounding areas. AmeriCorps VISTAs support the housing agency’s efforts to help families to build their own home with no down payment and significant savings in construction costs, provide homeownership opportunities, offer home buyer education courses, and repair homes to eliminate health and safety hazards. Since 2013, AmeriCorps VISTA members have helped Housing Assistance Corporation to expand its services by recruiting 415 volunteers to serve 3,433 hours and leveraged over \$79,000 in cash and in-kind resources.

AmeriCorps VISTA partnered with Fayetteville State University in 2011 to assist low-income and first generation youth with preparation for, entry into, and completion of a post-secondary education. Serving in the Office of College Access Programs, VISTAs developed a four-part strategy to build and cultivate community partners, establish a sustainable volunteer program, establish a parenting institute to increase parental involvement in local schools, and coordinate a mentoring initiative for African American males. This past year VISTAs created several new programs, including the Alumni Circle to increase graduation rates among alumni of College Access Programs, the Transition to High School Conference, the Send-a-Senior to College Campaign that provided dormitory and school supplies, and the Parent & Family Academy that provided resources to support their teens with school success. The VISTAs’ support helped support the following accomplishments: 275 African-American males participated in initiatives designed specifically for them; 97 percent of participants advanced to the next grade; 96 percent of seniors graduated from high school, and 78 percent applied to college.

AmeriCorps NCCC

At Mount Jefferson State Natural Area, an AmeriCorps NCCC team performed trail maintenance, finishing a trail project that was slated to take staff approximately five years to complete. Using sustainable trail building practices, and with an eye towards creating a path immune to the sudden and violent rainstorms that plague this area, the team was able to bench cut, smooth and remove hundreds of tons of rock from the intended trail surface. With the completion of the trail, two and a half miles of the mountainside are now navigable making it the longest and largest continuous trail system in Ashe County, NC. The trail work improves area tourism, promotes environmental education, and provides health benefits to trail users. In addition to these efforts, the team participated in a variety of activities developed by the New River State Park staff including ecology, environmental science, geology, conservation and environmental stewardship, animal identification and safety. As part of the annual Hellbender Inventory done each July the team caught, tagged, monitored, and released hellbenders, a large salamander species of “Special Concern” in North Carolina.

The work the AmeriCorps NCCC team did will prepare the grounds and buildings for the 2014 season. The team’s work allows MHPDC to continue in their mission of providing educational and interpretative experiences to visitors. The MHPDC first became an AmeriCorps NCCC sponsor in 2004.

Senior Corps Foster Grandparent Program

Land of Sky Regional Council places 80 Foster Grandparent volunteers in a four-county region of western North Carolina. These four counties have more than 500,000 children living in poverty – a staggering obstacle for children trying to succeed in the classroom. Foster Grandparent volunteers have had a tremendous impact supporting children with special academic needs. In the past year, 65 preschool children have shown improved school readiness in areas such as fine motor skills, following directions and communicating well with others. Participating pre-school children have shown improved socialization and self-esteem – traits necessary for classroom success and progress to the next developmental level. With the individualized attention of a Foster Grandparent, elementary school children have also shown significant academic improvement. In the past year, 53 K-12 students have shown gains in reading comprehension, vocabulary and understanding math word problems. Land of Sky also recently received a national Innovation Award from the National Association of Development Organizations for their work promoting MLK National Day of Service.

Senior Corps RSVP

One hundred RSVP volunteers in rural Pender Count deliver Meals on Wheels to more than 100 elderly or homebound individuals. Another group of more than 50 isolated or fragile seniors receive regular visits from RSVP volunteers who provide assistance with transportation, meal preparation, minor home repairs, and companionship. Through local partnerships developed by RSVP, the volunteers are able to provide additional resources to their homebound clients. The Burgaw Holiness Church, for example, provides RSVP with 40 bags of groceries each week to be distributed by volunteers. Other contributions include cases of Ensure or Glucerna for those who need it, or cash to buy fresh produce or to accommodate the special dietary needs of some clients. In total, 124 individuals over age 55 volunteer with the RSVP project. Additional RSVP efforts support middle-school children in public schools to improve academic performance, build ramps for people with disabilities, provide comfort and care to Hospice clients, and engage and support U. S. military veterans in a number of ways. The RSVP project is sponsored by Pender Adult Services, Inc. in Burgaw, NC.

Senior Corps Senior Companion Program

The Senior Companion Program sponsored by Coastal Community Action, Inc. serves a five county service area--Carteret, Craven, Jones, Lenoir and Pamlico--in Eastern North Carolina. Many communities in this service area are rural and most clients and caregivers served are economically disadvantaged. This year, 64 Senior Companion volunteers assisted 192 clients/caregivers and served 57,000 hours. Their service enables older at-risk adults to remain in their own homes, thereby saving the costs of long-term care in a facility. These volunteers are also providing necessary respite services to families. One Senior Companion was assigned to a client who is living alone, has chronic disabilities, and, due to having seven back surgeries was unable to stand straight and relies on a walker. This client is now able to get out of the house more and has improved her mobility. The Senior Companion volunteer works with the client daily encouraging exercise and outings to decrease isolation. This has enabled her to remain in her home alone.

Social Innovation Fund

The Social Innovation Fund transforms lives and communities using limited federal investment as a catalyst to grow the impact of nonprofits with evidence of strong results. It harnesses the expertise of grantmaking intermediaries to identify, evaluate and expand effective nonprofits and engages funding partners to contribute nearly three dollars to every one federal dollar invested. As the Social Innovation Fund network grows programs that work in North Carolina, more people are able to overcome their most pressing challenges in the areas of economic opportunity, health, and youth development. The Social Innovation Fund is investing \$1,232,810 in expanding the impact of four nonprofits in North Carolina. With their Social Innovation Fund investment, Children's Home Society of North Carolina is implementing the Family Finding program in 25 new counties in North Carolina.

Nonprofit Subgrantees in North Carolina

Program HQ Location	Nonprofit Subgrantee Name <i>Intermediary</i>	Description
Chapel Hill, NC	College Advising Corps GreenLight Fund	With its subgrant to National College Advising Corps (NCAC), GreenLight's SIF Initiative will support NCAC's work to increase the number of low-income, first-generation, underrepresented students entering and completing higher education. In Boston, NCAC will work in partnership with local colleges and universities by placing recent graduates of partner institutions as college advisers in underserved high schools. Advisers work full-time to help students conduct their college searches, complete admissions and financial aid applications, and enroll at schools that will serve them well. In Boston, the Advising Corps expects to serve approximately 3,000 high school students annually in its first five years.
Chapel Hill, NC	College Advising Corps New Profit Inc.	The National College Advising Corps is increasing the number of low-income, first generation, and underrepresented students entering and completing higher education.
Greensboro, NC	Children's Institute, Inc. The Edna McConnell Clark Foundation	Children's Institute, Inc. is a multiservice organization serving children, youth and families involved in the foster care and juvenile justice systems.
Greensboro, NC	Children's Home Society of North Carolina (CHSNC) The Edna McConnell Clark Foundation	Children's Home Society of North Carolina is expanding two unique programs with the potential to produce transformative impacts—the Family Finding and Wise Guys programs—which prevent teen pregnancy and provide support for youth aging out of the foster care system.
